Sir,

Subject Creation of the post of a Head Clerk in grade 50-2-60

I have the honour to state that the clerical establishment of the Health Section of this City Municipality consists at present of one Head Clerk on Rs 40-2-50 and three clerks in grade 25-1-40 on the permanent scale This staff is found quite inadequate to cope up with the work of this section which has enormously increased owing to the enlargement of the Health activities and other matters leading to increased correspondence connected therewith The Health Officer is repeatedly urging that as the efficient despatch of work and the management of the office in his section have been greatly impaired for want of experienced officials, the urgent need for the appointment of a Head Clerk in grade 50-2-60 is very keenly felt in order to avoid congestion of work and to manage the section efficiently The fact that there is real need for creation of this post in view of the congestion of work in the section has also been noticed during my inspections of the section in May last The reorganisation committee also examined the work of this section and have felt the necessity for the post and they accordingly recommended the appointment of a Head Clerk on 50-2-60 to supervise the work of the present clerical staff and to take important casework and accounts

The present Head Clerk in grade 40-2-50 is

tackled on with account matters and the cash transactions of the section which have considerably increased As this is a responsible and important work which has to be attended to with great care and the several registers and accounts connected therewith have to be maintained and the ~~xxxfxdxxxx~~ correspondence relating thereto has to be carried on, this would be a sufficient work for him and he would not be able to devote any time to supervise the work of the other clerks It is therefore proposed to convert this post into that of an accountant in grade 40-2-50 to attend to account matters solely The Health Committee after considering the question recommended sanction to the appointment of a Head Clerk in grade 50-2-60 in their resolution No 115 dated 6-11-45, the present Head Clerk being converted into that of an accountant in grade 40-2-50, and the Council have accorded sanction to the committee's recommendation in their resolution No 389 dated 27-11-45 The Engineering and the Revenue Sections have a Head Clerk in grade 50-2-60 and similarly it is desirable that the Health Section should also have one of the same grade in view of the importance of work in the section, and also to facilitate interchange of officials whenever found necessary

In these circumstances I request that sanction of Government may kindly be obtained to the appointment of a Head Clerk in grade 50-2-60 in addition to the present staff to the Health Section as resolved by the municipal council The ~~xxxxxxxxx~~ necessary proposition statement accompanies The extra cost on this account will be met out of the provision under El B Revising of Estt

Copies of the resolutions of Managing Committee and of the Municipal Council are enclosed herewith for favour of kind perusal.

I have the honour to be,
Sir,
Your most obedient servant,

President

23 FEB 1946

Sir,

Subject: Additional establishment required for the Health Section of the City Municipal Office, Mysore

Adverting to the correspondence ending with your marginally noted* communications, on the above subject, I have the honour to state that these proposals have been based on the report of the Re-organisation Committee who after examining the work of the Health Section in detail have furnished a note regarding the requirements of the additional staff to cope up with the increased work in the Section

* 1 Letter No L 7524 dated 26-1-46 regarding the creation of the post of Head Clerk in grade 50-2-60

2 Letter No 7590 dated 28-1-46 regarding the proposal to sanction the temporary post of the Stenographer on a permanent basis

3 Letter No L 5084 dated 13-12-1945 regarding the creation of the post of a Store-keeper in grade 25-1-40

A copy of the note given by the Committee as also of the Health Officer's report No H2 PR 137/45-46 dated 12th February 1946 indicating in brief the committee's recommendations and his remarks in respect of each of them is enclosed for favour of perusal

The Municipal Council have after careful consideration of the requirements of the section, resolved that the posts indicated above, be sanctioned for the satisfactory conduct of work in the section and recommendations were accordingly made to accord sanction of Government to these posts as per resolution of the council in my previous letters wherein the circumstances and the urgent need for these posts have been fully explained

As regards the third item relating to the creation of the Store-keeper's place, it is now under contemplation to form a Central Stores combining both the Engineering and the Health Sections with the necessary staff required therefor, and this proposal is under examination before the council The question of the Storekeeper's place will therefore be taken up along with this proposal

I am to state in this connection that the work of the Health Section has heavily accumulated so much so the urgent need for the Head Clerk to supervise the work of the section is very keenly felt The Health Officer is repeatedly urging for the same I request you therefore that as resolved by the municipal council, sanction may kindly be accorded early to the creation of the Healt Head Clerk's post in grade 50-2-60, and to continue the post of the Stenographer on Rs 40-2-50 on a permanent basis, as this proposal would serve the needs of the section for the satisfactory conduct of work

A revised proposition statement consolidating the above proposal is herewith put up and the extra cost involved on this account comes to Rs 690/- p

The favour of early orders in this behalf is solicited

I have the honour to be,
Sir,
Your most obedient servant,

PRESIDENT

MYSORE CITY MUNICIPALITY

REORGANISATION OF THE HEALTH SECTION

--

The members of the committee visited the Health Section on the 23rd March 1944 and a note on the re-organisation of the Health Section containing the proposals made by the Health Officer at the time of inspection is put up herewith for the kind perusal of the members

According to the discussions made on that date, the question of appointing an Assistant Health Officer of the Third Class Grade as Assistant to the Health Officer is for the consideration of the Committee

The Sanitary Establishment is controlled by the Department of Public Health and their transfers, promotions, grant of increments etc , is made by the Director of Public Health and therefore any proposal to re-organise in this behalf will have to be made in consultation with the Director of Public Health who in turn considers this from the point of view of re-organisation of the several grades of scales of sanitary inspectors etc , in the entire State and therefore it may not be practicable to take up the question of re-organisation of the Sanitary Staff by this Committee

As regards sweepers and scavengers, the Municipal Council have already sanctioned the appointment of a scavenger for each of the public bath newly constructed in every mohalla and the present number of scavengers and sweepers are deemed sufficient and whenever necessary, specific proposals in this behalf are being made and considered by the Municipal Council from time to time

As regards laboratory section of the municipality, a proposal has already been sanctioned to revise the pay of the Chemist attached to the laboratory and the question which was pending before the Government (vide Res 480 dated 23-12-1944) is also since sanctioned

As regards Stores section, a proposal to form a Central Stores has already been made in connection with the reorganisation of the Head Office

Leaving the above, the only question of reorganisation in the Health Section is about the (1) clerical establishment attached to the Health Section and (2) appointment of sanitary police and (3) Prosecuting Inppector

Clerical Establishment

The following references are put up herewith for the information of the Committee

(i) Schedule of establishment (2) Work Distribution list and(3) Inspection Notes of the Committee

The work in the Health Section is defined in the Business Manual on pages 32 to 36 The existing clerical strength of the Health Office is as follows -

One clerk on Rs 40-2-50
Three clerks on Rs 25-1-40
One Daffedar on Rs 12/-
Three peons on Rs 10/- each

The main work of the office may be classified as follows -

Accounts work, Licensing work, Current and Statistical work

As in the case of other sections, there should also be a Head Clerk for the Health Section of a senior clerk's status, viz , Rs 50-2-60 One clerk for the licensing work, one clerk for the current section and one clerk for the statistical bracnh on Rs 25-1-40 are necessary

There should be an accountant on Rs 40-2-50 There has been much work in the scrutiny of the time roll establishments

The accountant on Rs 40-2-50 (Junior clerk) will furnish the necessary security prescribed by the byelaw and he will be given a literate attender on Rs 15/- to maintain the time rolls in this section

The Health Officer wants a Stenographer, which is quite necessary This appointment may also be made as in the case of other sections on Rs 40-2-50

A Daffedar on Rs 13/- may also be attached to the office as in the case of other sections

The Health Officer to be given an Assistant of the rank and status of the III Class Health Officer in grade Rs 75-5-125 and this has already been recommended to Government by the council The staff to be revised as follows -

One Head clerk on Rs 50-2-60
One Accountant on Rs 40-2-50
One clerk on Rs 25-1-40
One Stenographer and P C to the H O Rs 40-2-50
One statistical clerk on Rs 25-1-40 and
One clerk for licensing work on Rs 25-1-40
One more clerk to maintain time rolls in the section on 25-1-40
One attender on Rs ~~25-1-30~~ 15/-

There is no separate store-keeper This question may be taken up along with the formation of a general stores section for the entire municipality

The 6 cases of existing sanitary Overseers for giving a graded scale of pay may be considered In this connection, the Government Order regarding the replacement of these ssanitary Overseers by Assistant Sanitary Inspectors may also be considered These Sanitary ~~Inspr~~ Overseers may be absorbed to ~~ex~~ ministerial staff either to the Health Section or their services may be utilised as follows -

One or two to supervise Health cattle sheds One for the dry cattle shed, one for supervision and maintenance of accounts of workshop and cattle pound The case of these sanitary Overseers who are stagnating deserves consideration and they should be given a graded pay of 25-1-40 and those who are already drawing more than Rs 30/- or Rs 35/- may be given increments according to their service

Sanitary Police 1 Sergeant on Rs 35 plus 5 C A
1 Daffedar on Rs 21 plus 5 C A
6 Constables on Rs 15 plus 3 C A each

This may be tried provisionally for a period of one year and these may be recruited from the police Department

A municipal Prosecuting Inspector to conduct municipal cases in Magistrate's Court

At present the Municipal Advocate is being tagged on with this work Since the civil work of the municipality is increasing, the municipal Advocate cannot devote full attention to the scrutiny of the charge sheets to be filed in Magistrates' courts Besides in certain important cases of municipal offences, they require whole time employment of a separate counsel for magistrates' court Hence I would suggest that an Advocate or Pleader be given a remuneration of Rs 50/- The Municipal Prosecutor should be elected by the Municipal Council

As regards compost, the following establishment may be sanctioned separately

1 Sanitary Overseer to supervise carts
2 Increasing the septic tank establishment
3 Purchase of municipal bullocks

The workshop establishment may be revised and treated as a general workshop for the municipality in consultation with the Municipal Engineer

The appointment of Veterinary Doctor is necessary to look after slaughter house and certification of ponies of hackney cafriages and general supervision of health cattle shed and dry cattle shed in the Sewage Farm (Pay Rs 50-5/2-90)

President

Office of the Health Officer,
No H2 PR 137/45-46 Mysore City, Dated 12-2-1946

Reference Memo No M5 93-368/44 dated 16-12-44 from the President, City Municipal Council, Mysore, forwarding a note on the inspection of the Health Section by the Re-organisation Committee, for opinion and remarks

2 Memo No M5 30-88/45 dated 29-1-46 forwarding a copy of letter No L 7590 dated 28-1-46 from the Revenue Secretary, Bangalore, in the matter of submitting consolidated proposition statement in respect of the Health Section

Recommendations made by the Committee	Health Officer's remarks
1 Appointment of an Assistant Health Officer of the III Grade as Assistant to the Health Officer	This appointment is absolutely necessary to assist the H O in disposing of all routine papers The Government have sanctioned this appointment in H O No L 7986-8/M1 11-44-82 dated 10-2-45 For want of candidates, the appointment could not be made Recently, Govt have in their order No L 7417-20/M1 11-45-102 dated 25-1-46, approved as a temporary measure, the appointment of a qualified locally available medical man, for a period of 6 months Proposal to appoint one Dr H S Krishnaswamy is submitted for kind orders
2 Appointment of sweepers and scavengers	The Govt recently have in their order No L 8931-3/M1 11-44-88 dated 8-3-45 sanctioned a graded pay of Rs 10-1-15 to each one of the sweepers and scavengers On a further representation made by the council, pointing out the necessity for the appointment of some more sweepers and scavengers as the city has grown on all sides and the formation of new extensions, the Govt in their order No L 6609-10/M1 11-45-88 dated 11,1-1946 have sanctioned the entertainment of 40 sweepers and 20 scavengers
3 Laboratory Section	The grade pay of the Chemist which was at Rs 75-5-100 was recently revised to that of Rs 100-5-150 in G O No There is also the post of the labortaroy assistant on Rs 25-3-40 plus C.A. The post is vacant now and proposals have been submitted to Govt for the appointment of a suitable candidate
4 Stores section and Store-keeper	The proposal to form a central stores for the municipality, under the supervision of a Chief Storekeeper of the grade of Rs 80-5-120 with an assistant of Rs 25-1-40 is under the consideration of the Council
5 Post of the Head Clerk	As already recommended by the Re-organisation Committee, this post on Rs 50-2-60 is very necessary to supervise the work of other clerks in the section At present an accountant on Rs 40-2-50 who is burdened with cash transactions amounting to more than Rs 25,000/- per mensem cannot attend to the supervision work and correspondence which is increasing every day due to various activities Further, he has to maintain the service registers of nearly

	150 men, as this section happens to be the biggest in number Hence the necessity for appointing a Head Clerk to this section is felt very necessary This fact has been brought to your kind notice more than once and you were kind enough to recommend to Government on the resolution of the council to accord sanction for the appointment of a Head Clerk to this section on Rs 50-2-60
6 Accountant	This post is already existing and no change is necessary As proposed by the committee, he may be given the assistance of an attender on Rs 15/- The cash security to be given by the Accountant may be fixed at Rs 200/- as per Bye-laws and also as communicated in your memo No M6 390-234/45-46 dated 12-1-1946 as per G O No L 535-5/M1 25-38-10 dated 16-7-1938
7 Stenographer	This has already been sanctioned in G O No L 5225-6/M1 11-45-8 dated 14-12-45 as a temporary measure Proposals for making this post a permanent one has been submitted to Government and orders of Government are awaited in this behalf As per memo No FCR 1234 dated 29-1-46 the proposition statement has been submitted for favour of kind needful
8 Revision of clerical staff	The proposition statement in this behalf as per recommendations of the committee, has been submitted vide this office letter No H2 PR 137/ 45-46 dated 12-2-46 The extra cost on this account comes to Rs 1860/- per annum As pointed out many a time, this section is lack of trained hands and as such, the routine work is very much hampered, thereby leaving a huge pendency of papers In the circumstances, the entire staff recommended by the Committee may kindly be sanctioned very early in the interest of efficiency of work
9 Revision of scale pay of ~~12~~ sanitary Overseers 10 Sanitary Police 11 Compost 12 Revision of workshop establishment	As some information and data will have to be collected in this behalf, a separate note will be submitted
13 Municipal Prosecuting Inspector	At present, the Municipal Advocate is being elected by the Council who is paid a monthly allowance of Rs 15/- As this seems to be an all sided question involving revenue, engineeri. and health sections, this may perhaps be considered by the Council

14	Appointment of Veterinary Doctor	At present, there is one veterinary Inspector in this section, who is in charge of the slaughter houses, on a pay of Rs 100/- p m On the recommendation of the council, arrangements have been made to get a departmental hand Pending the posting of the departmental hand, the present incumbent, who has been given an extension of service by one year as per G O No M1 4424-6/M1 11-45-11 dated 30-11-45 is being continued Besides this, there is one veterinary inspector of the Veterinary Department who is paid an allowance of Rs 25/- p m for attending to the welfare of the cattle (There is also one veterinary salustry (a departmental hand) on Rs 25/- p m

PRESIDENT,
City Municipal Council,
Mysore

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE

R E A D:-

Government Order No.L.5235-6/M.11-43-34 dated the 14th December 1943 sanctioning the continuance of the post of the Stenographer of the Health Section Mysore City Municipality among others, for a further period of six months, from 1st July 1945.

Correspondence ending with letter No.M.S.C.366-34/45-46 dated the 20th February 1946, from the President, City Municipal Council, Mysore stating that the clerical establishment of the Health Section of the Municipality is found inadequate to cope up with the increasing work of the Section and requesting sanction to the revision of the establishment at an extra cost of Rs.600/- per annum, as recommended by the Re-organisation Committee and approved by the City Municipal Council.

ORDER No: L. 105-82-4/MCL 11.45.126

Dated, Bangalore, the March 1946. 9-4-46

It is reported that the existing establishment of the Health Section of the Mysore City Municipality, is found inadequate to cope up with the increasing work of the said section. In the interest of efficient despatch of work and satisfactory working of the Office of the Health Committee have recommended the appointment of a Head Clerk on Rs.50-2-60 to supervise the work of the present clerical staff and the City Municipal Council have approved of it. It is proposed to convert the existing post of the Head Clerk on Rs.40-2-60 to that of an Accountant on the same pay, so that he might attend solely to accounts matters and to continue the post of the temporary Stenographer, on a permanent basis, with effect from 3-1-46.

In the circumstances reported, Government are pleased to sanction the above proposals at an extra cost of Rs.600/- per annum, as shown in the accompanying proposition statement.

The expenditure in this behalf will be met out of the closing balance in the current year's Budget of the Mysore City Municipality, necessary provision therefor being made in the future

future Budgets of the Municipality.

Secretary to Government,
Revenue Department.

To

The President, City Municipal Council, Mysore;

The Comptroller to Government of Mysore;

The Director of Public Health in Mysore, Bangalore.
